How can students submit their Adobe Creative Cloud Express project/assignment from an Adobe Creative Cloud Express template?

Tell Me

Faculty will provide students with an Adobe Creative Cloud Express template project (video, page, or image) in a Canvas Assignment. From the Canvas Assignment, students will be able to take a copy of the Adobe Creative Cloud Express template to modify and submit their Adobe Creative Cloud Express project (Video, Page, or Image).

1. **Log into your Canvas course**

2. **Go to Assignments and choose the provided Adobe Creative Cloud Express assignment**
3. Click **Make a copy** to generate a copy of the template provided by the faculty.

4. A copy of the faculty provided Adobe Creative Cloud Express template will be copied into the student's Adobe Creative Cloud Express project page.

5. Click on the template to rename it and start modification based on the assignment instructions.

6. Once the Adobe Creative Cloud Express modification is completed, students will use the **Turn in to Canvas** option to submit to Canvas.

7. The assignment is successfully submitted.
8. Students can click on the **Submission Details** to confirm submission completion.
