What if I need to use more than one tuition waiver at UNC Charlotte during the summer?

Tell Me

Unfortunately, there is no flexibility on the cap of using only one tuition waiver per summer at UNC Charlotte. The University Policy was approved by the UNC Charlotte Board of Trustees and would require support from the Office of Legal Affairs, Chancellor’s Cabinet, Chancellor, and the BoT to approve a policy revision.

However, if you want to take more than one class during the summer, you may explore the following options:

- Consider using the Academic Assistance (Tuition Reimbursement) option
- Explore the Janet B. Royster Scholarship available through the NC Staff Assembly
- Explore the State Employee Association of North Carolina (SEANC) Scholarship
- Explore UNC System-wide scholarships and funded opportunities
- Contact the Niner Scholars Office

For assistance, please contact Learning and Organizational Development at this email address hrtraining@uncc.edu.

Law Enforcement Officers

Law Enforcement Officers who are eligible for the unlimited tuition waiver benefit and who are employed as part of UNC Charlotte Police and Public Safety Department should reach out to Learning and Organizational Development for assistance using this email address hrtraining@unc.edu.

Other UNC System Institutions

UNC Charlotte’s online tuition waiver system in Banner Self Service is NOT connected to other UNC system institutions. It is your responsibility to contact the Student Accounts/Bursar’s Office at the attending university to ensure your account is up to date.
