Can I delete my 49er Mobile ID through the Transact eAccounts mobile app?

Tell Me

1. Yes, but we recommend the Remove Card Option directly from Apple Wallet or Google Pay

From iPhone

1. Navigate to the Wallet app
2. Tap (...) in the lower right corner of your card
3. Scroll to the bottom and select Remove Card
4. Eligible cardholders who have not exceeded their device limit can add their 49er Mobile ID back at any time

From Apple Watch

1. Navigate to the Watch app on your iPhone
2. Scroll down and select Wallet & Apple Pay
3. Tap on Transact Mobile Credential
4. Scroll to the bottom and select Remove Card
5. Eligible cardholders who have not exceeded their device limit can add their 49er Mobile ID back at any time

From Google Pay

1. Open Google Pay
2. Select your 49er Mobile ID from the available cards
3. Touch the three dots in the upper right corner of the screen
4. Select Remove ID
5. Confirm Remove ID

From eAccounts

1. Open the eAccounts Mobile App on your phone
2. Tap Continue to Sign In and log in with your NinerNET credentials
3. Approve the Duo Two Factor Authentication request
4. Click on your photo in the upper left corner
5. Under Campus ID, click the icon in the upper right corner of your 49er Mobile ID display
6. Tap Add or Remove Campus ID from Wallet at the bottom of the back of your 49er Mobile ID display
7. Select device(s) to remove from your card
8. Tap Remove in the pop-up box
9. Tap on the Remove Card notification at the top of the screen or go to Google Pay and tap Remove Card displayed under the 49er Mobile ID Card
10. Tap Remove in the pop-up box and the card will be removed from your Google Pay

See this webpage for additional information.
