Can students use their Smartphones or tablets to access Canvas courses?

Tell Me

1. Yes, students can use their Smartphones and/or tablets to access Canvas courses. Rather than use a browser, we strongly advise that students install the Canvas Student app on their devices:
   a. iOS Canvas Student app
   b. Android Canvas Student app

   **Warning!**
   We recommend that students do NOT take quizzes using the mobile app!

2. When the app is installed, open it and click **Find my school**
The What’s your school’s name page is displayed

3. In the Find your school or district text box, type uncc
4. Two options are displayed
   a. If you are an Undergraduate or Graduate student, choose the University of North Carolina - Charlotte option
b. If you are a Continuing Education student, choose the Continuing Education - UNC Charlotte option

5. Log in with your NinerNET username and password
