Sign in

4. You will be redirected to the Office 365 Dashboard, click the **Install Office** button in the upper right

5. When the download is complete, open the file to install Office 365.
6. The first time you open an Office application (Word, Excel, Powerpoint, etc.), sign in with your UNC Charlotte email address and password to activate your license
7. After authenticating and activating your license, if prompted to "Allow my organization to manage my device" select **"No, sign in to this app only."**
