

# How do I send a push to the Duo app?

Show Me

Tell Me

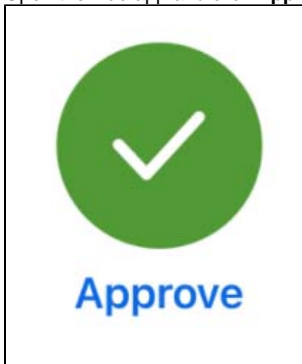

After entering you NinerNET username and password, at the Duo prompt...

1. Select the **Send me a Push** option

The screenshot shows the Duo authentication interface. On the left is the Niner logo and links for 'What is this?', 'Add a new device', 'My Settings & Devices', and 'Need help?'. The main area shows 'Device: iOS (XXX-XXX-4255)' and 'Choose an authentication method'. Three options are listed: 'Duo Push' (checked and 'Used automatically') with a 'Send me a Push' button, 'Call Me' with a 'Call Me' button, and 'Enter a Passcode' with an 'Enter a Passcode' button.

2. Open the Duo app and click **Approve** when prompted

3. Log out of the service when you're finished
