# How do I add the Zoom link in my Canvas course?
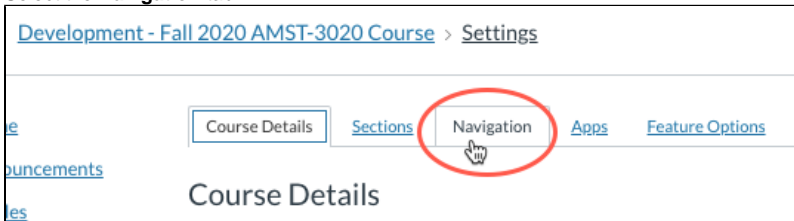

Show Me

Tell Me

The Canvas-Zoom integration allows instructors to schedule online meetings from within Canvas. You must enable the Zoom link in the course navigation before students can access scheduled meetings
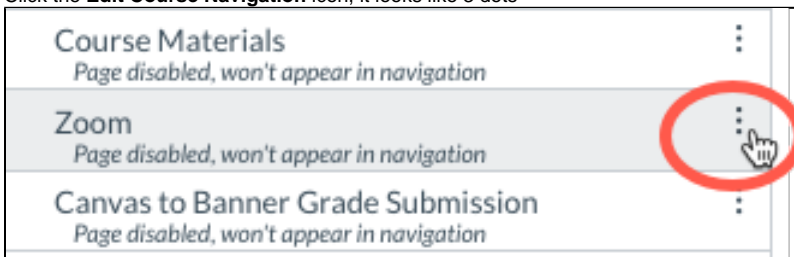

1. In your course, click the **Settings** link
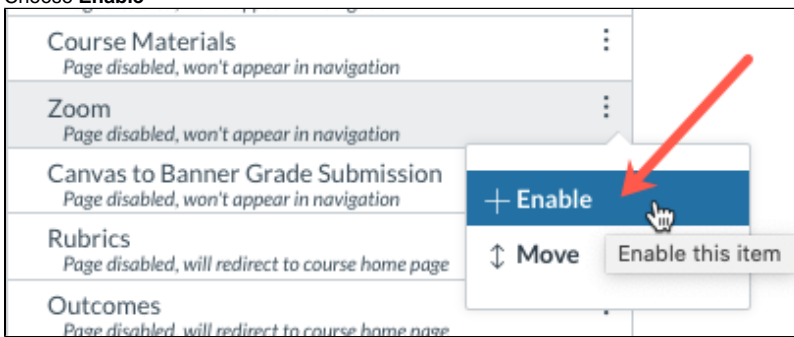

2. Select the **Navigation** tab

3. In the lower list of options, find **Zoom**

4. Click the **Edit Course Navigation** icon, it looks like 3 dots
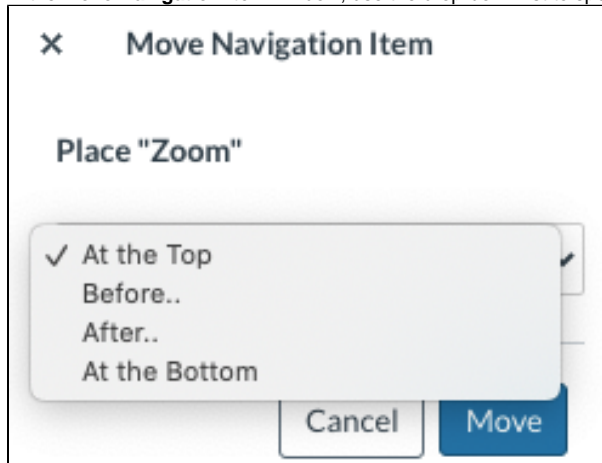

5. Choose **Enable**

6. The Zoom link is moved to the upper list of options

7. You can move the Zoom link by either
   a. Dragging the Zoom option to a new position, OR
   b. Clicking the **Edit Course Navigation** icon and selecting **Move**

i. In the **Move Navigation Item** window, use the drop-down list to specify where the link should be located

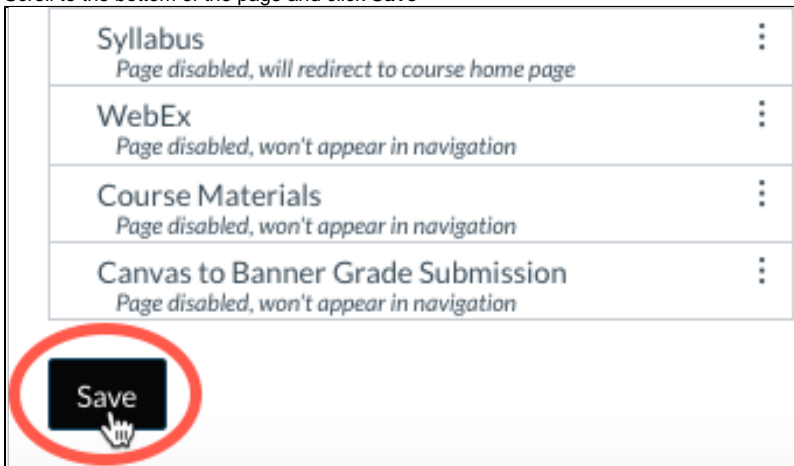

ii. Click **Move**

iii. The link is moved to the location you specify

⚠ **More Information**

For more information on moving items, refer to the Canvas documentation

⚠️

1. Scroll to the bottom of the page and click **Save**
