

Can I print or copy documents in a University computer lab?

Tell Me

1. Printers are installed in all University [computer labs](#), in Atkins Library, and at various print stations across campus
2. Before you print, you must put money on your 49er card
3. Once you have funds for printing, go to the computer lab of your choice, create your document and choose the print option
 - a. [Click here](#) for instructions on how to print in a computer lab

Info

You can also use [Repros Copy Center](#) for large format and specialized printing needs.
