
The Post Doctoral Insurance Requests are used by the Office of Academic Budget and Personnel to secure insurance enrollment information for Postdoctoral Fellow Appointees.

System Access Restrictions

The ability to view items and complete actions within Perceptive Content is restricted based on approved system security access. An FAQ on requesting access updates is available here. Questions regarding which security group(s) will provide the access needed can be directed to ima genowhelp@uncc.edu.

Submitting a Post Doctoral Insurance Request e-Form

Accessing the Form

1. To get started, open a browser and go to the link, Post Doctoral Insurance Request (AA36).
2. The University Web Authentication login screen will display, as shown below:

![Login Screen](image)

3. Enter your NinerNet credentials and select the Log In button.
4. The AABP Post Doctoral Insurance Request Form (AA-36) will display.
5. Click the Hide Instructions or Show Instructions buttons to hide or show the instructions.

Completing the Form

1. The Preparer ID (800#) and Name will automatically be displayed.
2. Enter the UNC Charlotte ID or Name (format: Last Name, First Name) of the Postdoctoral Fellow Appointee who is requesting or denying health insurance coverage and press the TAB key.
3. The information will pre-populate in the **Postdoctoral Fellow Appointee Details** section.
