What does a listserv owner do?

Tell Me

End of Service

This service is being replaced by Google Groups. The Office of OneIT will be working with current listserv owners to ensure a smooth transition. This transition is expected to occur during the 2015-2016 academic year.

1. Maintain list of subscribers
2. Remove any subscribers behaving in a way harmful to the list
3. Make sure there is continuity in ownership and maintenance of the list
4. Promptly report any technical issues
