How can students submit an Adobe Creative Cloud Express project/assignment using a URL or Embed code?

Tell Me

Students will publish their Adobe Creative Cloud Express project (Video, Page, or Image) to generate a URL or Embed code. Using a provided Canvas assignment, students will be able to take a copy of the Adobe Creative Cloud Express URL or Embed code and submit their assignment.

1. Log into your Canvas course
2. Note the name of the assignment
3. Log into Adobe Creative Cloud Express
4. Click your completed Adobe Creative Cloud Express project to open
5. Click the **Share** icon along the top.

6. Click the dropdown option to **Publish and share link**.

7. The **Publish** window appears.
   a. Choose to **pick a category** (1)
   b. Add yourself as the **author** (2)
   c. Click **Create link** (3)

8. The **Share** option appears.
9. Choose either to **Copy** the shareable link

10. Or, choose the **Embed** option

11. Click the **Canvas Assignment**

12. Click **Submit Assignment**
13. Choose the **Text Entry** option to copy the URL

14. Paste the project **Shareable link** or the **Embed code** into the Text Entry box

15. Click **Submit Assignment** to complete submission

16. You can also choose the **Website URL** option

17. Paste the **Shareable link** from the Adobe Creative Cloud Express project
18. **Click Submit Assignment**
