Alternate email address and/or cell phone is required for emergency notifications, NinerAlerts, and account verification. **Current** faculty, staff and students can **update this information** on the NinerNET website for password and account management. The information will then be added to Banner.

Legacy Self Service Banner accounts do not have access on the NinerNET website for password and account management and will need to follow the instructions below.

In order to update some personal information in Banner you will be required to verify your identity using your alternate email or phone number. If you do not have any alternate verification methods on file, please contact the IT Service Desk at 704-687-5500.
