How do I create an Apple account to purchase a new University computer?

Tell Me

1. Go to appleid.apple.com and click Create Your Apple ID

One account for everything Apple.

A single Apple ID and password gives you access to all Apple services. Sign in to manage your account.

2. Complete the required information, be sure to use your University email address. Click Continue

Create Your Apple ID

One Apple ID is all you need to access all Apple services. Already have an Apple ID? Find it here.

First name

Last name

COUNTRY / REGION

United States

Birthday

name@example.com

This will be your new Apple ID.

Password

Confirm password

+1 (United States)

Phone number

Be sure to enter a phone number you can always access. It will be used to verify your identity any time you sign in on a new device or web browser. Messaging or data rates may apply.

Verify with:  Text message  Phone-call
3. Once this has been completed, send an email to ninertechorders@uncc.edu with your Apple ID information.

4. Ninetech will send your information to the proper team at Apple to grant access to the UNC Charlotte Apple Store for Education. You will receive an email similar to this:

   You’ve been selected to register for the Apple Online Store, which makes it even easier to do business with Apple.

   To help with your registration, we’ve prefilled your account information and role. If this information is correct, all you need to do is complete the registration by responding to the security questions and accept the terms of service. If this information is incorrect, then follow the instructions to search and select a different location or role.

   After your registration is reviewed and approved, you’ll receive an email confirming your Apple Online Store access and can take advantage of the following features:

   **Shop**
   - See product and pricing information, customized for your institution
   - Create and share proposals
   - Review quotes created by your Apple sales representative

   **Buy**
   - See what’s being purchased and check your order specifications
   - Order online for faster and more efficient purchases
   - Track your order status and delivery online

   Registration is easy and only takes a few minutes. If you need help, email myaccess.store@apple.com.

   Thank you,
   Apple

5. Click the register link to complete the process. You will receive a confirmation message indicating that you will receive access in 6 - 24 hours.

6. When your access has been granted, you will receive a final email indicating that your account has been granted access. In this email, you will also have a link to the Apple eCommerce site where you can create proposals. Visit ecommerce.apple.com, login with your Apple ID.

   Your request for Apple Online Store access has been granted and is complete.

   Please go to http://ecommerce.apple.com and log in with the Apple ID and password you created during registration. If you don’t know your Apple ID or password, please visit http://appleid.apple.com.

   For Apple Online Store assistance, log in to the store with your Apple ID and password and then visit the Help link at the bottom of the page.

   Thank you,
   Apple
