How do I add members to my UNC Charlotte Google Group?

Tell Me

1. Only Google group managers or IT administrators can add members to a Google group. These instructions are for Group Managers:
2. Log into gmail.uncc.edu
3. In the top right corner, click on the grid icon
4. Click on Groups icon
5. Click on the name of the group you want to manage
6. On the left side, click on Members under the People section
7. You will see a list of current membership - click the Add members button
8. The following Add members interface will open:

![Add members interface]

- **Group members**
- **Group managers**
- **Group owners**

9. You can choose to:
   - **Add members, Group managers, or Group owners** (not recommended)
     - **As you begin to type a members name, they should display user information based on the University directory. If you wish to add more than one member at a time, they will not display any information and you must separate each address with a comma.**
   - **Group members**
   - **Include a Welcome message** - required for External members (see this FAQ)
   - **Change the Subscription delivery** - it is recommended to leave at "Each email" and members can alter their own subscription delivery
   - **Directly add members** or, if toggling off, **Invite** members - invitation message required

10. When ready, click **Add members**

11. For more information about Google Groups click on the settings wheel and choose **Help** to be directed to [Google Groups Help](#)
