Students may have holds on their account for many reasons. Some affect registration and some do not.

Student Accounts Hold - Students owe some amount of money. This amount may or may not prevent registration. Refer student to NinerCentral if they have specific questions about this hold.

Student Conduct Hold - Student has outstanding conduct sanctions. Refer student to office the hold originates. It is often the Dean of Students office.

Final Transcript Hold - Often seen with new students, the student needs to submit a final transcript from their previous institution(s).
